

Eagle Railcar Services Welcomes Daniel Brown as Chief Commercial Officer and Peter Hasa as Vice President of Finance

EASTLAND, TX — August 3, 2026 — Eagle Railcar Services, a leading provider of railcar repair, maintenance, and fleet services, today announced that Daniel Brown has joined the Company as Chief Commercial Officer and Peter Hasa has joined as Vice President of Finance, both effective today.

Brown will lead Eagle's commercial strategy, building out the company's sales organization to support its next phase of growth. He brings more than two decades of leadership experience in the rail and equipment industries, most recently serving as Chief Operating Officer at RELAM Inc., where he directed enterprise-wide operations and led the integration of multiple acquisitions while delivering consistent EBITDA growth. He holds a certificate in Executive Railroad Management from Michigan State University and a Bachelor of Arts in Mass Communication from Southern Illinois University Edwardsville.

In his role, Hasa will lead the company's financial planning, tax, treasury and procurement functions, partnering closely with executive leadership to support Eagle's continued growth and operational excellence. He brings more than a decade of finance leadership experience across the aerospace and defense sectors, with a strong track record in FP&A organizational development and private equity value creation. His experience spans budgeting and forecasting, board and investor reporting, financial modeling, and team leadership. Hasa holds a Master of Science in Finance from Texas A&M University – Commerce and a Bachelor of Science in Finance from The University of Texas at Dallas.

"Daniel is building out our sales organization to match the scale of our ambitions, and Peter is bringing the financial infrastructure — FP&A, procurement, tax, and treasury — that a company our size needs to grow with discipline. Together, they give us the commercial reach and financial rigor to invest wisely and deliver for our customers," said Barbara Wilson, CEO of Eagle Railcar Services.
